In-Class Worksheet 7: PDAs

Clarissa Littler

October 28, 2014

Write down pushdown automata for the following languages

- { w | w ends with 3 1s or starts with 3 0s}

- { w | w has twice as many 1s as 0s}

- { 0^n 1^m 2^k | m is greater than n or k}

- { w | w is an even length palindrome }
